## *Who We Are...*

Hillsdale Preschool is a half-day program serving families of young children. Our goal is to guide your child through experiences that develop cognitive, social and physical skills while teaching him/her about God and His love for us. In addition to providing your child with opportunities to grow and learn, we strive to meet your needs as a parent of a preschooler. We are happy to provide information about various aspects of parenting young children, we want to help make this time in your family's life a rewarding one.

Hillsdale Preschool is staffed by experienced teachers and assistants. We are CPR/First Aid Certified and receive on-going training in childhood development. Our teacher-to-child ratios are kept low in order to best meet the individual needs of the children we serve. We meet regularly to discuss curriculum, plan events, and update each other on community services available to preschoolers and their families.

## *Application Process...*

Applications are available in the Preschool Office or may be downloaded from [hillsdalebaptistchurch.org](http://hillsdalebaptistchurch.org). Enrollment for remaining vacancies begins March 8th, 2012. Upon receipt of the registration form and fee (\$50/child; \$45/child if sibling attends), positions will be filled in the order in which forms and fees are received.
